VOL. LXXXIII, NUMBER 23

Votomatic Saved County \$70,000

Lake County's electronic voting system saved the taxpayers over \$70,000 this year, according to County Clerk Truman Gerretsen. Under the old paper ballot system a new precinct had to be created each time the registered vote exceeded 700 people in a precinct.

With the Votomatic equipment more can be served at each polling place, thus eliminating the need for additional precincts.

Gerretsen said if Lake County had to go by the old system this year it would have meant estab-

lishing 70 new precincts in the County's 18 townships; 15 in Deerfield township, 13 more in Waukegan township, five more in Avon and Libertyville and lesser numbers in the remaining townships.

He estimates the cost at \$1,000 per precinct for each election. There are presently 231 precincts, so every election county-wide costs the taxpayers about \$231,000.

A total of 128,506 people cast ballots in the November general election out of 147,600 registered.

The electronic computer counted the ballots at 432 per minute and final returns were completed at 3 a.m., 7 hours and 15 minutes after the first batch came into the Administration Building.

Canvassing the total vote, which is still required by State law, took just 45 minutes and the results were exactly the same as on election night. Gerretsen said in the days of the paper ballot it used to take eleven or twelve days to canvass an election vote. Further, he said the Votomatic (Continued on page three)

Christmas Packages Ready For Servicemen

Workers sort out packages for the boys in Vietnam as members of the Knights of Columbus and their ladies helped put together the Christmas gifts. In photo on left are, from left, Dan Duganski, Chester Golonka, Fred Vermeyen, Harry Brehen and Howard Pannier. In the photo at the right are from left in the back row are Fred Elam, John Horan, Richard Klean and Dan Duganski. From right to left in the front row are Mr. and Mrs. Dodd, Mrs. Elam, Joe Hellstern, Grand Knight, and Helen Nelson.

Antioch area servicemen and women are not going to be forgotten this Christmas.

Project Vietnam is going to take care of that.

Some 220 packages have been made up for the Christmas mailing, more than enough to take care of our servicemen and women who are serving overseas.

Members of the Knights of Columbus and their ladies did the packaging and the boxes are filled with many items that will prove delectable to our GI's.

Each box is packed full of about 10 or 11 pounds of food-stuff and books, items not available to our fighting men.

Included in the packages were homemade fruitcakes and brown bread, candy, canned sausages, nuts, cheese, crackers and many other items.

About 30 persons helped package the boxes under the direction of Harry Brehen of the Antioch Post Office.

Those participating included:

Mr. and Mrs. Stanley Szymanski, Mrs. Frank Strohlein, Mrs. Lee Nelson, Mr. and Mrs. John Horan, Richard Klean, Larry Lang, Mr. and Mrs. Dodd.

Mr. and Mrs. Thomas Haley, Mr. and Mrs. Fred Elam, Dan Duganski, Mrs. Ray Wikes, Oscar Hendrickson, Howard Pannier, Joseph Hellstern, Grand Knight, Jimmie Quendenfeld, Ronald Yates, Chester Golonka, Fr. Henderson, Robert Berg and Frank Skizsnecki.

Many persons have contributed to the packages and the most recent donors included:

Dale Starkey, Ted Smith, Sr.

Eye Testing Clinic To Be Held Saturday

disorder or other causes.

day reminds area parents of the free vision screening which they are offering for children between the ages of three and six years.

The testing will be done at the Antioch High School Cafeteria from 10 a.m. to 2 p.m. on Saturday, Nov. 30.

Parents are cautioned on the urgency of such a screening for their children in this age group but the Jaycees would also like to educate the parents as to what exactly Amblyopia is.

A newborn child sees with only one eye at a time; the brain does not handle images from both eyes simultaneously until approximately two years of age.

By this time the visual function should be fixed whereby the two images become one and he sees the same thing with the same degree of clarity with both eyes.

Not so with Amblyopia. The image from the one eye is blurred perhaps by farsightedness, astigmatism, or eye muscle disorder or other cause.

So when the child tries to fuse the image with that of his good eye, he does not see properly.

Unconsciously he may suppress the blurry image of his weak eye, and in so doing the development of vision is retarded.

To restore proper development, the vision of the amblyopic eye must be improved. This is normally done by patching the good eye in order to stimulate the use and development of the poorer eye.

If the problem is not found in time, the child may be in trouble.

For example, he will never have normal depth perception, for this requires two eyes. He may have difficulty in school,

and will certainly be limited in the kinds of jobs he can perform as an adult.

If he should injure his good eye, he might well find himself without useful vision. Therefore, it is important to find and correct eye defects which lead to amblyopia; and if amblyopia is already present the eye must be retrained, if possible, to focus properly and to work as a team with the other eye.

The Better Vision Institute is greatly concerned with the prevalence of amblyopia which is as high as one in twenty American children.

It is for this reason the Lake Region Jaycees are conducting the free vision screening for children between the ages of three and six years. The test will simply tell the parents if their child needs to be taken to an eye doctor for further examination.

Every parent must ask themselves if they are willing to risk the chance of their child being the one in twenty.

The only way to know is to have the child's eyes examined by a screening program such as this one being offered this Saturday by the Jaycees in the Antioch High School Cafeteria.

Local Marine Reservists will launch their annual "Toys for Tots" campaign on Nov. 29, Reserve Capt. Arthur B. Burke, Jr., commanding officer of Co. H, 2D Battalion, 24th Marines announced today. The toy drive will conclude on Dec. 15.

"This will be the 15th drive conducted in the Lake County area," Captain Burke said, "and if the coming campaign is as successful as those in past years, we expect to make a lot of children happy this Christmas."

A year ago Marines working with local business and civic groups collected 5,000 toys which were turned over to various civic groups for distribution to needy

(Continued on page three)

Christmas Decorating Time Again

It is home decorating time again.

Christmas decorating, that is. And again this year Antioch's Loyal Order of Moose will offer prizes for the best decorated homes as they have done in the past.

Every home within the Antioch Village limits will be automatically eligible to participate in the contest.

Those who live outside the village and want to be included in the contest must submit a post card with their name, address, telephone number and complete directions on how to get to the home.

Three prizes will be awarded. (Continued on page three)

(Continued on page three)

Cub Scouts Will Sell Yule Bows

The Christmas Season is just around the corner and to help you with your gift wrapping chores, the Antioch Cub Scout Pack is selling pre-cut, stick-on Christmas bows for 50c and \$1.00 per package. There are many bows in each package and assorted Christmas colors.

The Cubs will have their tables set up at the State Bank of Antioch and The First National Bank of Antioch on Friday, Nov. 29th, Saturday, Nov. 30th, Friday, Dec. 6th and Saturday, Dec. 7th during evening banking hours on Friday and 9 a.m. on Saturday.

Please support your local Cub Scout Pack and make Christmas gift wrapping easier for yourself.

(Continued on page three)

(Continued on page three)

Three From Area Lose Licenses

Three Antioch area motorists had their driver's licenses suspended, Secretary of State Paul Powell announced.

Grounded for three violations were Windelyn M. Carter, Box 468, Antioch, Elmer W. Meierdick, RR 3, Box 82, Antioch, and Sherma J. Towns, 407 Lake Shore, Wildwood.

At the same time Powell announced that Meierdick was issued a probationary permit.

School Calls Meeting

A special meeting will be held at 8 p.m. Monday, Dec. 2 at the Antioch Grade School Gymnasium to discuss the grade school bond referendum of \$1,675,000.

Voters of the grade school district will go to the polls Dec. 14 to determine whether they will approve the referendum.

If voters pass the issue it will be used to build an upper grade school containing 24 classrooms on property situated on Rte. 173 west of the village.

Supt. W. Richard Whitacre said that the public and those residing in District 34 are invited to the combined meeting of the board and the PTA.

The new facility will also contain special departments, according to Whitacre who said the need is long overdue.

(Continued on page three)

Helicopter To Bring Santa Here

Santa's arrival in Antioch Saturday will signal the opening of the Christmas shopping season.

Santa will arrive by helicopter at 10:30 a.m. in the village parking lot on Broadway. From there he will go to his headquarters in the Antioch Rescue Squad building.

Merchants will have forms to distribute this week and youngsters under 12, accompanied by a parent, can sign up for a chance on a ride in the helicopter.

Containers have been provided for the entries and the drawing will be made on Saturday, prior to Santa's arrival. The rides are through the courtesy of the State Bank of Antioch.

The Chamber of Commerce, which has now completed plans for the Christmas decorating and season announced that retail stores will stay open in the evening hours beginning Dec. 5.

Illinois added 199 new plants and 388 expansions to its industrial growth during 1967 alone. These plant investments amount to \$630 million and will create 42,601 new jobs in the future.

Report Address Changes

Social Security beneficiaries in this area who need to report changes of address or other events which affect their monthly payments are urged to make these reports directly to the Social Security Office in Waukegan by mail, telephone, or personal visit.

The Social Security Administration is always looking for ways to improve its service to the public. Up to now people were encouraged to notify social security about these changes by mailing a pre-addressed post card form to one of six record centers throughout the county.

But now, people should make any report about a change of address, working, marriage, divorce, and death to the Social Security Office located at 2500 West Grand Avenue, in Waukegan.

The local office will transmit the information by wire to the record center, which will result in faster and better service to the public.

The people in the social security office at 2500 West Grand Avenue, Waukegan, Illinois, are available to answer any questions about social security and Medicare. The phone number is 244-5050.

Youngsters Must Register Their Bikes

Bicycle registration day for 1969 licenses will begin at the Antioch police station on Dec. 1.

The tags are in and they will cost the youngsters 50 cents each.

Parents are asked to make sure their children have a brief description of the bicycle with them when they apply. They do not have to bring the bike to the station.

Those who register must also supply their names, ages, telephone numbers and addresses.

Police Chief Jack Davis said that all bicycles must be registered.

Lake Villa Supervisor In Crash

Lake Villa Township Supervisor Ronald R. Coles and three of his children were hurt last week, none seriously, when their car was struck from behind on Degg Lake Road at Rte. 132.

Coles, 34, of 218 S. Valley Drive, Lindenhurst, was driving with his children, Donna, 6, Richard, 11, and Steven, 12, when the accident occurred.

Victor Saunders, 34, of Arlington Heights, driver of the other vehicle, suffered head injuries and was treated at St. Theresa Hospital.

Saunders was charged with reckless driving and disobeying a stop sign and is to appear Nov. 29 in Fox Lake Magistrate Court.

In other accidents Bonnie C. Faust, 21, of Indian Point, Antioch, was injured when her car was forced off the road and into (Continued on page six)

57 New Citizens Take Oath

Fifty-seven new U. S. citizens took the oath of allegiance last Thursday during ceremonies at the Lake County Administration Building.

Presiding was Circuit Judge L. Eric Carey.

He told the new citizens, "You have elected to become part of the best country in the world. We congratulate you and we congratulate ourselves because you made this selection."

Judge Carey said he was born in another country, was brought to America as a young boy and naturalized and thus shared the feeling of those taking the oath.

He went on to say, "Citizenship is more than voting or flying the flag. Much as a musician, we must daily practice it. We need to re-inspire ourselves with humility, sincerity and good neighborliness, which the whole world seems to miss. Citizenship must not be taken for granted."

Featured speaker was Rear Admiral H. A. Renken, Commander of the Ninth Naval District.

He cited the nation's industrial economy, standard of living, personal freedoms, and scientific achievements then went on to point out that we are not without our problems.

Admiral Renken said, "but then any nation on the move, as an individual progressing rapidly, will have problems that must be solved. Do not be misled by a negative minority that has received so much publicity."

He urged the new citizens to become actively involved in their communities, to keep well in (Continued on page three)

Gold Gas Meter Finds A Home

A gold gas meter was installed at the home of Northern Illinois Gas Company's one-millionth customer, the Harry Hanus family of Arlington Heights.

The Hanuses' new custom home, designed and built by J. G. Thomas Construction Company, Inc., is at 1822 N. Vail Avenue in the Pembroke Subdivision.

As a gift from NI-Gas, the Hanus family received the latest model gas range with a self-cleaning oven, a gas clothes dryer, and an outdoor gaslight and grill.

Participants in the gold meter ceremony included Marvin Chandler, NI-Gas chairman and president. In commenting on the rapid growth of the company, Chandler said:

"NI-Gas adds a new residential customer every three minutes of every working day! It connects a new or converts an existing church or school to gas heat at the rate of nearly two every working day; and commercial establishments are being added to our customer list at the rate of 14-a-day."

Chandler added that the population in the area served by the investor-owned utility is increasing at twice the national pace.

NI-Gas began operating in February, 1954, with 456,847 customers. Since then the utility has added more than 30,000 customers in every year since 1955. This year is one of the company's best.

NI-Gas will have a net increase of 35,000, well ahead of the 31,000 new customers added in 1967. The company now provides natural gas service to over 490 communities in northern and western Illinois, and with six exceptions, is serving every community with a population over 200 within its 16,200 square mile service area.

Cyrus J. Colter, left, member of the Illinois Commerce Commission assists NI-Gas Chairman and President Marvin Chandler in connecting a gold gas meter November 22 to the home of the utility's ONE-MILLIONTH CUSTOMER, the Harry Hanus family of Arlington Heights.

Thanksgiving

The holiday season is once again upon us and we pause to give Thanksgiving.

But it seems to us that Thanksgiving should not be relegated to just a single day of the year.

It may sound trite but we believe that we should be thankful every day of our lives—mainly because we live in a country where we are free.

Freedom is a very precious commodity that must be guarded jealously. For it can too soon be taken away from us.

We should be thankful for the inventive genius of our people—genius that has taken our standard of living and boosted it to beyond comparison with any other country on the globe we call Earth.

We should be thankful for the religious freedom that we have—or have no religion at all—if we care to.

We should be thankful for the ability to earn our way and to aid those who are less fortunate than we.

We should be thankful that we have the right to speak out if we do not agree with a situation and the ability to change it if it is not to our liking.

There are many things that we could enumerate here that we should be thankful for—but they go on and on for each individual.

Suffice it to say that we at The Antioch News join you in this day of Thanksgiving and wish you and yours a bountiful holiday.

Toys For Tots

Toys gladden the hearts of youngsters at Christmastime more than any other single thing.

But there are many needy youngsters this Christmas who will not have a very happy one unless you do your part.

One of the groups that does much toward seeing that youngsters in Lake County have a toy for Christmas is the Lake County Marine Corps Reservists.

The 15th annual "Toys for Tots" drive is now under way throughout the county.

Since the original "Toys for Tots" program to help underprivileged children have a happy time at Christmas, the Marine Corps Reservists have collected and distributed millions of toys.

The total number of toys, however, is not the only important thing for a successful campaign.

The overall cooperation inspired in a community is just as important. The Marine Corps Reserve does not attempt to distribute the toys in the community—that is the community's decision.

Last year's campaign was one of the most successful conducted and local business and civic groups throughout Lake County collected 5,000 toys which were turned over to various civic groups for distribution to needy children.

As in the past collection points will be established throughout the county so that those who have toys they wish to donate may do so.

There is nothing more satisfying than to help make a youngster happy at Christmastime. So get into the Christmas giving spirit. Join the drive for "Toys for Tots."

ALONG THE WAY with Annie Mae

OVER 3500 MILES

Harry and Hilda Stern have just returned from an extended sightseeing tour of the Carolinas. Included in their itinerary were the Blue Ridge Mountain towns of Ocoee, Murphy, Hayesville, Shooting Creek, Franklin, the Cullasaga Gorge, Highlands, Brevard, Hendersonville, Tryon, Morganton, Hickory, Statesville, and Salisbury. They also took in Spartanburg and Myrtle Beach in

South Carolina on their way to visit grandchildren in Orlando, Florida, returning by way of Memphis, Tennessee. The Sterns traveled over 3500 miles on this look-see trip. HOME FROM HOSPITAL Steve Dolson returned home Saturday from Victory Memorial Hospital after spending 3½ weeks there. He had a very serious appendix operation.

Courthouse Notebook

By Lou Durkin

There are many things to be thankful for on this Thanksgiving Day. Little things like the rights guaranteed us by the Constitution: health, periodic peace in the streets; a movie industry that carefully labels its products unfit for children.

And then there is the television industry that makes it unnecessary to stand in the cold to see movies labeled unfit for children by showing them on the home screen.

We can be thankful that the recent political campaign came to an end and that President-elect Richard Nixon is going to make sure that everyone in the Executive branch of the government is going to be following the same propaganda line by creating a new Executive Branch Press Office.

We can be grateful that the new Lieutenant Governor Paul Simon is going to refrain from making waves by relinquishing the office suite traditionally occupied by the Lieutenant Governor to Senate Majority Leader Russell Arrington.

We can be thankful to Gov. Sam Shapiro for creating nearly 6,000 new state civil service posts so there will be no dislocation of state government when the new regime takes over in January, freeing Gov-elect Richard Ogilvie from the task of filling state jobs with deserving Republicans.

And we should be grateful to Gov. Sam because now Ogilvie won't have to carry out his plan to put most of the employees on civil service thereby alienating all those deserving Republicans.

We should be thankful that so many able candidates are indicating a willingness to seek the office of Sheriff in the primaries in 1970 even though the job has lost much of its luster and political clout because of the Merit Commission.

But above all let us be thankful that the merchants have not moved up the opening of the Christmas shopping season so as to exclude Halloween as an important holiday.

Probably nothing will come of it for several years, but an interesting suggestion was advanced on a Chicago radio station recently that could increase safety on our highways.

The plan would call for a new tail light arrangement on autos replacing the present red light with green while a car is in motion and changing to red when the brakes are applied or the car is stopped.

This would be especially helpful in heavy freeway traffic where a sea of red taillights overpowers the sudden stop light illumination.

A car stopping in heavy traffic would immediately stand out against all the green lights ahead giving following drivers added warning.

Developing such a lighting system should not be too difficult in a country that can develop an endless array of computers and data processing equipment.

Don't be surprised if the Dem-

Beef, Pork May Have Graced Pilgrim's Table

There is some historical evidence that pork and beef graced the Pilgrims' tables at the first Thanksgiving dinner according to David H. Stroud, President of the National Live Stock and Meat Board.

Stroud quoted one historic source as stating the women spent many days preparing for the feast: that "children were kept busy turning roasts on spits, or rods, in front of open fires."

"What kind of roasts?" he asks. "They could have been venison, brought by friendly Indians, but who is to say they weren't roasts of beef and/or pork? We do know cattle and hogs were brought to the new colony on the Mayflower along with barrels of pickled beef and salted pork."

He suggests the possibility that over the span of 347 years, traditional accounts of that Thanksgiving may have established turkey as the main course because at that time it was a new food introduced to the Pilgrims by the Indians. At the same time stories of the first Thanksgiving simply may have neglected mentioning other foods on the menu, such as beef and pork.

"It is true that in order to build future meat supplies, the Pilgrims made an effort to live off wild animals rather than slaughtering the few animals they had brought with them," he said. "This, foresight helped them solve their food problem much more quickly than if they killed off their future sources of meat."

However, since this was a very special occasion for rejoicing and feasting, it's possible the ban on slaughtering livestock was lifted as part of the Thanksgiving observance.

Stroud contends the reason turkey was served at Thanksgiving in those early years was the shortage of beef and pork. . . products the Pilgrims voluntarily denied themselves while they built up their herds. Since there is no shortage of pork and beef today, the people who raise feed and market four-legged meat animals do not feel tradition-bound to give the Thanksgiving . . . and Christmas . . . market to the birds, he said.

"We've got nothing against turkeys," Stroud said. "We're simply pushing another tradition which is basic in our democracy: the freedom of choice."

In these days of uncertainty, the only thing you can count on is your fingers.

Christmas Packages

Dorothy Horan, State Bank of Antioch, Gurnee Discount Store and Antioch A&P.

Those who cooperated in the packaging did not go away unrewarded.

Refreshments were served by the wives of the Knights of Columbus.

ILLINOIS, ILLINOIS!

Illinois, often called the Tall State, has the facts to back up this nickname. The Taxpayers' Federation of Illinois said today in its weekly release.

Illinois is the center of one of the richest, most productive regions on earth. From its center 54,000,000 people live within a 500 mile radius. They have a total income of \$123 billion.

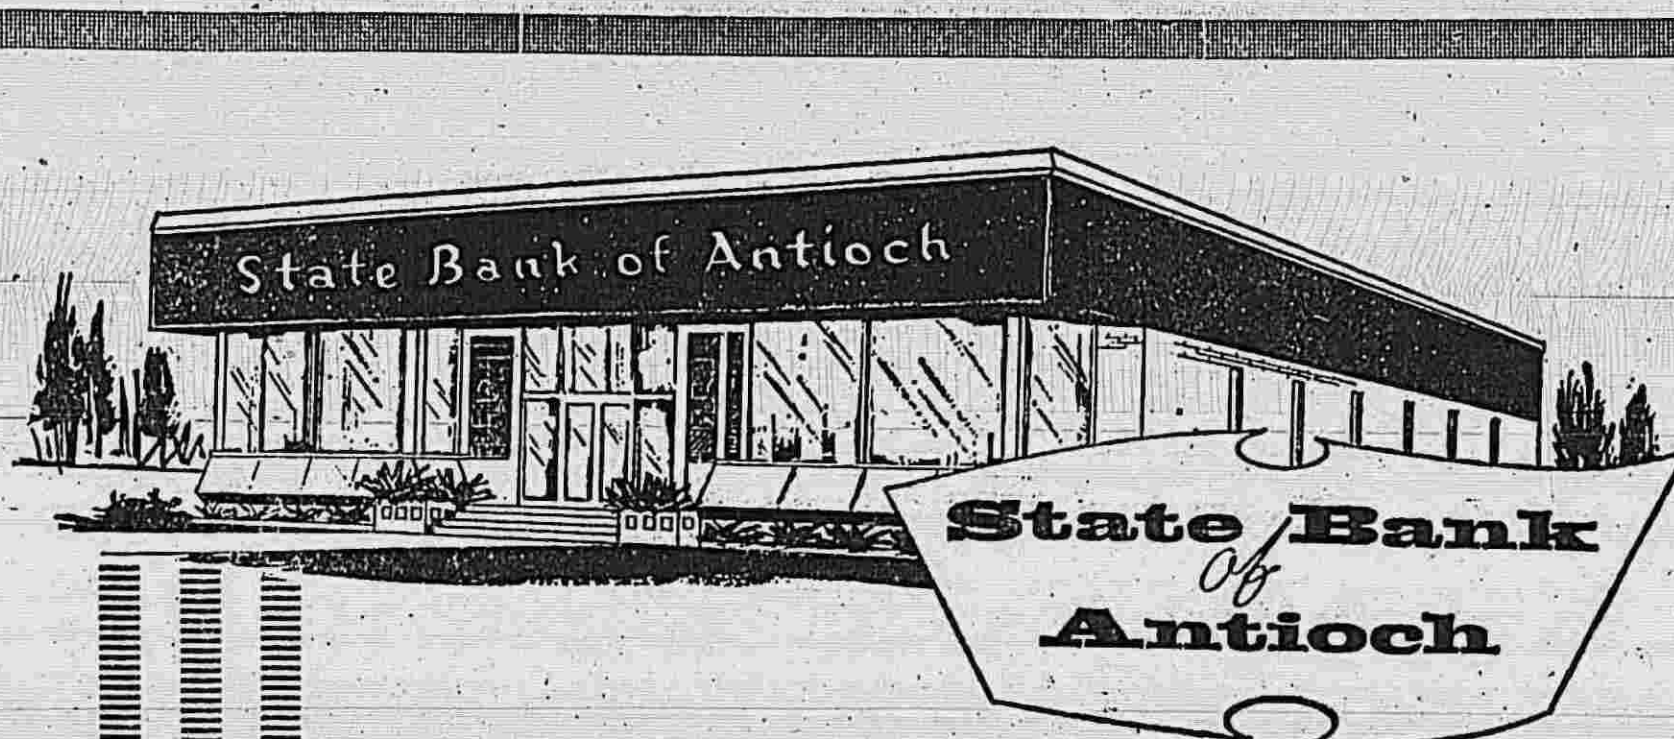

Register War Souvenirs

Servicemen, ex-servicemen and others who have certain types of unregistered war trophies as souvenirs may be in violation of the Gun Control Act of 1968, unless these weapons or devices are registered with the Internal Revenue Service by Dec. 1.

Machine guns, sawed-off shotguns, saved-off rifles, bazookas, rockets, mortars, bombs, mines, Mary C. Wicczorek. Those make devices that have been retained as souvenirs or war trophies must be registered or turned in by the deadline. Representatives of the IRS Alcohol and Tobacco Tax Division will offer assistance in registering or disposing of any such weapon or devices.

Owners should not bring the weapon or device to the IRS but should call, write or visit the nearest Alcohol and Tobacco Tax or other IRS office for information and assistance.

The law provides that those who fail to register or dispose of the specified firearms or destructive devices which they possess, may be subject to imprisonment up to 10 years, fines up to \$10,000 or both.

Votomatic Saved....

(Continued from page one)

system was running ahead of counties with voting machines, which proves the speed and accuracy of the electronic devices.

The County Clerk would like to see a standardized format for each election so voters would become used to the layout of pages on the Votomatic. The so-called "California ballot", or the vertical listing of political parties one below the other, is the simplest format and according to Gerretsen could be used under the Illinois election laws. However, that format was not allowed this year by ruling of the State Attorney General. Gerretsen hopes the change in Administration will bring about a different interpretation.

Lake County was a pioneer in adopting the electronic system in Illinois. Several members of the County Board of Supervisors traveled to other states to first see the IBM Votomatic in operation and later testified in Springfield at hearings before various committees of the General Assembly on behalf of proposed legislation allowing electronic devices.

Now, at least half-a-dozen other counties have adopted the system.

Gerretsen says, "I think the Votomatic is the coming thing all over. For instance, look at what we saved in terms of money just this year in Lake County. It's great!"

Elections don't just happen. Gerretsen and his staff put in several extra days of work prior to November 5. They worked weekends to complete the necessary preparations and to handle absentee ballots. Approximately 6,500 persons cast absentee votes. The voter registration office was open nights for two weeks prior to the close of registration.

By State law the county could levy a two-cent tax in 1969 for purposes of re-registration of all eligible voters. The tax would bring in about \$200,000, but Gerretsen says he won't ask the people for it because of the tremendous job done by the voter registration office this year. "Everything," he says, "is up to date."

The Clerk pointed out that it would be practically impossible to conduct an election without the full cooperation of the County Board of Supervisors and its Elections and Taxation Committee. Gerretsen said, "We have that cooperation, and because we do, our election process runs smoothly."

Christmas Decorating....

(Continued from page one)

All entries may be mailed to the Antioch Moose Lodge, 884 Main St., Antioch, and must be in before Dec. 21.

That evening the entries will be judged by the Moose officers and their wives and the Women of the Moose and their husbands.

The tour to select the best will begin at 8 p.m. and the winners will be notified that same evening.

Salvation Army To Collect Funds

Bright with fresh coats of paint for their 22-day "Working season," the little red Christmas kettles of The Salvation Army will make their annual appearance on Friday awaiting to be filled with contributions that will make the holidays happy for a lot of needy people.

Although the kettles are little, their jobs are big. Stationed at busy corners and shopping centers each day through Dec. 24, the kettles are the major appeal to the public for help in bringing Christmas cheer and other assistance to more than 48,000 distressed people in the metropolitan Chicago area.

"Applications for special Christmas assistance are already flooding in, and it looks as though The Salvation Army's shopping list will be longer than ever this year," said Lt. Col. Gordon A. Foubister, commander of the Northern Illinois Division and director of Greater Chicago Activities.

"On the other hand, because Thanksgiving comes so late this year, the Christmas kettles will be on the streets a much shorter time than usual. This means we have fewer days in which to raise the money needed for our Christmas and day-to-day work with the troubled."

The Army's 1968 Christmas Campaign has a budget goal of \$625,000. Officials hope to raise \$395,000 in mail appeals in both Chicago and suburbs, and the remainder—\$230,000—through the Christmas kettles.

Starting with a limited number of locations, the Army hopes to have 140 kettles in use as the holiday shopping season advances.

The kettle stands will be attended by bell-ringing Salvationists, soldiers, cadets and officers wearing regulation navy blue uniforms or red capes. Atop the kettle stands are red, green and white signs reading "Give for Christmas Cheer and Welfare all

Year."

From Nov. 29 through Dec. 6, the kettles in the loop area will be manned by men from the Army's Harbor Light Center (654 West Madison St.) who have volunteered for the assignment, and by other corps of the Army's Northern Illinois Division. On Thursday, Dec. 5, officers, soldiers and employees from the Army's Central Territorial Headquarters staff (800 N. Dearborn St.) will join them as volunteer bell ringers.

Some 400 members of the Chicago Junior Association of Commerce and Industry will be volunteer bell-ringers at noon and during rush hours on Thursday and Friday, Dec. 12 and 13.

Cadets from the Army's School for Officers' Training (700 Brompton ave.) will begin their holiday assignments on Saturday,

Dec. 7, and continue through Tuesday, Dec. 24.

This Christmas marks the 63rd consecutive year the kettles have been on the streets of Chicago, giving people an opportunity to share their Christmas happiness with the unfortunate.

The kettles are a traditional source of Christmas cheer for the needy. The Salvation Army uses the contributions for holiday dinners and presents for needy families; festive parties for youngsters, senior citizens and homeless and handicapped men; toys and treats for children; remembrances for patients in military and civilian hospitals; for residents of homes for the aged; for men and women in correctional institutions; and cheer and warmth for the lonely, friendless and forgotten.

57 New Citizens....

formed, and to practice the most important right in a democracy, namely to vote.

The Admiral said, "There is no question that during these times of unrest and disorder, we do need men of moral strength, men who carry the courage of the early Americans. We need men who trust in our system, men who believe that it will work, and men willing to do their part to make it work. We need men and women who will not be easily discouraged. This is your challenge as you assume your citizenship today."

A reception was held Friday for the new citizens, sponsored by the Tenth District American Legion, when Circuit Clerk Stephanie Suthlin presented them with their certificates.

Every mother knows which side the bread is buttered—the side the kids drop on the floor.

New 4-H Club At Grass Lake

A new 4-H club has been formed at Grass Lake and is called the Grass Lake Braves.

The leaders are Mrs. Kiemle, Mrs. Rueckanback, Mrs. Larson and Mrs. Biel.

There was a cooking meeting held last Thursday at Mrs. Kiemle's home where Mrs. Rueckanback demonstrated how to mix and bake cookies.

The next meeting will be held Monday, Dec. 9, at the old school house. A cooking meeting will be held on Dec. 19 and a Christmas party is being planned for mid-December.

The Center for the Study of English as a Second Language at Southern Illinois University has 85 students from 17 countries receiving intensive English training.

School Aid Sought By Archdiocese

In a letter addressed to the more than 4,000 priests of Illinois, the Roman Catholic Bishops of the State announced their concern for the rising cost of Catholic education and their desire to support legislation to help meet certain of these expenses.

A half-million pupils are now educated in the non-public school system of Illinois. This educational effort leads to a substantial saving for the ordinary taxpayer. The program the Bishops present has as its goal the strengthening of the over-all effort of the State.

"The State of Illinois, hard pressed to finance its public schools, needs the State's Catholic school systems which now enroll about twenty per cent of all elementary and secondary school-age children in the State," the Bishops noted.

Yet at the same time, they indicated, they were faced with a decreased number of priests and religious teachers to staff the many schools; as well as with the escalating cost of living and of today's educational developments.

Since tuition and free-will contributions do not meet these expenses, the Bishops state that they will give full support to this program which was recommended to them by the Diocesan School Superintendent and various lay groups.

The program has four objectives:

1. Better transportation arrangements for non-public pupils
2. Loan of secular textbooks to non-public school children in districts where these are provided for public-school pupils
3. Certain auxiliary services for non-public school children in districts where these are provided
4. Provision for a state agency to purchase the secular components of non-public elementary and secondary school programs, e.g.: mathematics, physical education.

Antioch Cubs Induct 25 New Bobcats

The November Pack meeting of the Antioch Cub Scout Pack 192 was held at the Methodist Church Social Hall.

Presentation of the colors, was given by the Webelows Den followed by songs sung with action. Fire Chief Todd Maples presented a film "Tin Pan Fire Drill." Den 5 entertained all with their skit "Showboat Minstrel."

Induction of 25 Bobcats was next on the schedule. The new Cub Scouts are Neal Lulofs, Richard Kanka, Michael Haviland, Mike Velling, Mark Haley, Alfred Roth, Keith Radke, Craig Rigby, Greg Bodin, Mike Polsgrove, Michael Wirth, Duncan Hucker, Larry Bolton, Ralph Brooke, Ronald Weber, Steve Sander, Dick Lemke, Gregory Nixon, Brian Calloway, Michael Harr, Raymond Kerby, Frank Johnson, Keith Gant, Danny Barth and Mike Craig.

Two boys also transferred into the Pack—they are David Marcussen and Patrick Houghton. Webelows awards were presented to John Christiansen for Sportsman and Scientist, Mike Ware for Artist, David DeBoer for Athletics. Mark Stewart received his Bear Badge and Gold Arrow.

The following boys received arrow points on their Wolf Badge—Randy Miller five silver arrows, David Stowe three silver arrows, Glen Johnson one silver arrow. Joe McIntire and Frank Bessette received their dinner

awards and Chris Oddsen an assistant Denner award. Joe Hellstern gave up his post as Cubmaster after twelve years of service to the Pack to become the Assistant District Commissioner for the North Shore Council. Mrs. Rosina Hellstern was also given a resounding round of applause for her twelve years of service to the Pack.

The Committee Members signing the Charter application for the coming year are Robert Schroeder, Raymond Gallagher, George Schmidt, John Walsh, Gordon DeBoer, John Eder, Marshall Plechaty, and Arthur Doty. Den Mothers—Jeanne McIntire, Patricia Christiansen, Barbara O'Brien, Lee Koenig, Kay Doty, Ruth Renfro, Barbara Gallagher, Sheila Schroeder, Alice Bessette, and Colette Dayton. The State Bank of Antioch, William Brook, president is the Pack Sponsor.

Prospective Den Mothers for the 25 new Bobcats are Viv Wirth and Christina Humikowski; Ruth Sander and Miriam Johnson; Cathy Haley and Judy Kerby; Pat Polsgrove and Carol Harr.

Antioch Realtors Attend Meeting

Charles J. Cermak and Charles J. Cermak, Jr., of the Antioch real estate firm will be in Peoria Dec. 1 to participate in the fifth annual Realtors Institute of Illinois.

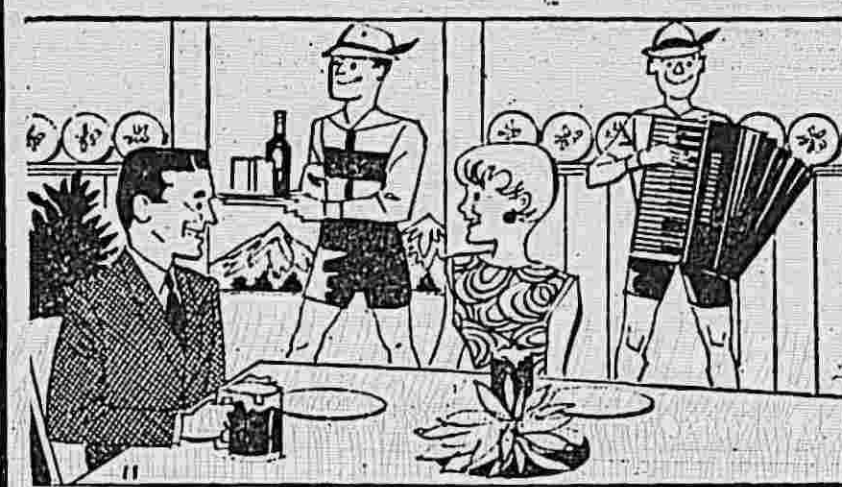

The meeting, which will draw over 800 real estate people from throughout the state, is sponsored by the Illinois Association of Real Estate Boards.

Courses being taught during the sessions include law, taxes, ethics, closing, trading, listing, financing, appraising, management, creative selling and many more.

The meeting closed with the mothers of Den 1 providing the refreshments. The next Pack Meeting will be held on Friday, Dec. 20th, at 7:30 p.m. in the Methodist Church Social Hall.

children. The Marines also operated a distribution center which will be open again this year.

While "Toys for Tots" came to Lake County only 15 years ago as an annual Christmas campaign, the toy drive began in 1947 in Los Angeles as a local community effort of Marine Reservists in that West Coast city.

As years passed, other Marine Reserve units started "Toys for Tots" campaigns in their hometown areas until today Marine Reserve units are spearheading toy drives in over 200 cities in 45 of the 50 states.

Over five million toys are collected annually. Capt. Burke asks that toys be left at police and fire stations in Waukegan and North Chicago.

Also, many of the area business and elementary schools are participating in the program. Watch for barrels where you shop.

Legion Auxiliary

By Del Jahnke

Wishing to acquaint the general public with the American Legion Auxiliary Loan Education and Scholarship Program available for eligible high school graduates, Mrs. Kenneth Smith, Gurnee, 10th District Auxiliary Loan Chairman, is imparting the following information. Additional details may be secured by contacting either Mrs. John L. Horan, Sr., Antioch Unit Loan Chairman, or Mrs. Bernard Stedick, President.

National Education Week, which is sponsored by the National American Legion, the National Education Association, the National Congress of Parents and Teachers, and the United States Office of Education, was from November 10th to 16th. However, the American Legion and the Auxiliary lay special emphasis on this program during November, as well as throughout the year.

There are three types of scholarships available to daughters of deceased veterans. Ten National President's Scholarships of \$1,500 each (two given in each of the

five national divisions) and ten Illinois Opportunity Scholarships of \$600 and \$350. All scholarships are competitive and judged on the basis of need. Every auxiliary unit has already received the rules.

Scholarships of \$200 each are given to daughters of living veterans. At the 1968 state convention eight such scholarships were awarded. Miss Jean Behrens-meyer, Grayslake, was the recipient of a \$200 scholarship this year. A Mundelein girl won a \$350 scholarship last year.

Scholarships for veterans of World War II, the Korean Conflict and the Vietnam War, who are graduates of accredited high schools and are in need of financial assistance to further their education, the also available. The maximum amount given is according to the funds available for this purpose. An award of \$500 was given in this category, last year.

Mrs. K. Smith reminds the 22 units that comprise the 10th District American Legion that they should be sending in their contributions to the Illinois American Legion Auxiliary Loan and Scholarship Fund. She stresses the fact that there are two sections to this program. There is the

'The Mikado' Will Be On Dec. 5

The Prince of Peace School Chorus and 8th Grade students will present the operetta "The Mikado" on Thursday, Dec. 5 at 8 p.m. in the B. J. Hooper School, Sand Lake and Beck Roads, Lindenhurst.

The operetta is being directed by Mrs. Hattie Neuer with music under the direction of Mrs. Nancy Wolff.

The token donation is 75-cents for adults and 35-cents for children.

auxiliary loan fund, where eligible high school graduates may obtain a loan to further their education. Then there are all those scholarships available through the American Legion Auxiliary Educational Scholarship program. The Antioch Unit has contributed to these funds. A unit cannot sponsor a candidate unless they have made donations to both funds.

Nearly all units purchase copies of "Need a Lift?", the booklet that has been compiled by the national American Legion, in conjunction with 350 educational institutions, organizations and authorities. This booklet contains a wealth of pertinent information regarding the educational opportunities and scholarships offered by various businesses, colleges, clubs, etc. The Antioch Unit has placed "Need a Lift?" brochures in both the Antioch High School and public libraries.

Janice Anne Roberts

Jerald Jacobs Will Marry Janice Roberts

Mr. and Mrs. Burton H. Roberts of Cherry Hill, N. J., announce the engagement of their daughter, Janice Anne to Jerald A. Jacobs, son of Mr. and Mrs. Edward C. Jacobs of Antioch.

Miss Roberts is a graduate of Marymount College of Virginia and American University in Washington, D. C.

Jacobs is a graduate of Georgetown, Washington, D. C. and attended the University of Fribourg in Fribourg, Switzerland. He is presently attending Georgetown Law School.

An April wedding is planned.

Grass Lake Cub Pack Give Awards

Grass Lake Cub Scout Pack 80 held its monthly meeting last week.

It was reported that Den Leader Coach Elaine Wojnowiak and Den Mothers Shirley Vaughn, Ernestine Okresik, Ruth Reban, Helen Okresik attended the 16th annual Cub Pow-Wow Nov. 2 at Highland and were awarded certificates.

The members welcomed new Bobcats Alan Brown and Richard Motley and Kenneth Bloom who advanced to Webelos and Mrs. Okresik, a new den mother, accepted the Den 4 flag. Rob Reban is the new Webelos leader for Den 2.

Those receiving awards included Brian Tarkowski, assistant Denner Bar and one year service bar; Scott Nohava, Denner Bar, Bear Badge and one gold arrow; Scott Smith, Wolf Badge and one gold arrow; Kurt Flint and Kenneth Bloom, 2 year service stars. Mike Vaughn, Danny Lloyd, Jack Wojnowiak and Eddie Okresik received recruiting awards.

Pack 80 received the Honor Unit roundup ribbon from the North Shore Council.

It was also announced that the Christmas Pot Luck Dinner and Pack Meeting will be held at 6:30 p.m. Dec. 19.

Paddle boat race winners for the evening, in order of their finish were Mark Manning, John Lass and Danny Lloyd.

Mr. and Mrs. Jack Develing

Former Antioch Girl Married On Coast

Mr. and Mrs. Jack Develing (Anita Hawkins) now are at home in San Mateo, Calif. They were married recently at the Episcopal Church of St. Matthew in San Mateo and received guests at the Shadows Restaurant in San Mateo.

Anita, the daughter of Mr. and Mrs. Karl W. Hawkins, of San Mateo, was attended by Janice Graczyk as maid of honor and Mrs. James Bolander, sister of the bridegroom and Jody Hermans as bridesmaids.

James Bolander served as best man for his brother-in-law and guests were seated by Karl G.

Hawkins, brother of the bride, and Robert Alhorn. Jack is son of Dr. and Mrs. Arie Develing of San Mateo.

Anita was a resident of Antioch for more than 12 years before moving to San Mateo with her family.

She attended Grass Lake School and three years at Antioch High School before entering Aragon High School in San Mateo where she graduated in 1968.

Her brother, Karl, graduated from Antioch High School in 1966 and is now at San Mateo College.

By Lillian Birdsell

Antioch's Loyal Order of Moose will offer prizes for the best Christmas decorated homes again this year, as they have done in previous years. Every home within the village of Antioch will automatically be entered into the contest, but for those living outside the village limits, they will have to submit a postal card with their name, address, phone and complete directions on how to get to their homes. There will be three prizes awarded for first, second and third place winners.

All entries for the home decorating contest may be mailed to the Antioch Moose Lodge, 884 Main Street, Antioch, and all entries must be in before the deadline date of Dec. 21. On the evening of December 21 the judges, which will consist of the Loyal Order officers and their wives, plus the Women officers and their husbands, will start their tour of homes by 8 p.m. to pick the winners of the contest. The winners will all be notified on this same evening. Anyone can enter this contest just by sending in a postal card with the necessary information on it.

An enrollment for new members will be held at the Antioch Moose Home Saturday evening, November 30th. There is a possibility that the Zion Ritual Team will perform the ceremony. A real welcome has been planned for the new members and a smorgasbord will be served to all attending members following the meeting. A gala evening has been planned for all members who attend.

The Legionnaires of the Antioch Moose are preparing for the Pancake and Sausage dinner which will be served at the Moose Home on Saturday evening, December 14. Serving will be from 4 to 9 p.m. Following the dinner the members may enjoy dancing to the music of the Al Sheridans band.

President Seth Mark announces that the Legionnaires plan on remodeling the outside of the Moose building with all proceeds made from this project. It is true that the outside is in very bad need of repairs and since the inside has the beautiful remodeled look, they feel the outside should look the same. All members can support this project by attending the pancake supper and dance given for this benefit.

The birthday dinner for the Loyal Order members which normally falls on the second meeting night of the month has been changed to the first for the month of December due to the Christmas Holiday. The birthday dinner will be served to all attending members on December 11 and free beer is also on the menu for the evening for their Christmas treat.

The Legion Ceremonial will be held at the Kenosha Moose Home on Sunday afternoon, December 1st. All Legionnaires and their ladies are invited to attend. The ceremony will start at 2 p.m. and dinner will be served at 5 p.m.

A Third District meeting was held at the Highland Park Moose Home, Saturday evening, Nov. 23, with 52 members from the various lodges present. Attending from Antioch were Governor Scotty Birdsell and Mrs. Birdsell. Other lodges present were Barrington, Harvard, Highland Park, Wauconda and Zion-Benton. Wally Streick, president, announced that in January the Third District is planning a round robin bus trip. This will consist of about 15 couples from each lodge who will take these bus trips to the various lodges in and around the Third District local for a get-acquainted deal. Mr. Streick feels that the best way to get friends is to know them.

A report was given by the conservation chairman which stated that the total membership for the Loyal Order of Moose is down and so is the average. He reported that there is much work that has to be done in the Third District area to improve the condition. Don Roberts, ritual chairman gave his report and said they are trying to get a traveling ritual team of all lodges of the Third District. Bids will soon be recognized for the vice-president dinner which is usually held in the month of March. Letters will be sent to the various lodges stating the date and time so that bids can be accepted.

The next meeting is scheduled for Barrington on Saturday evening, Jan. 25, starting at 8 p.m. Frank Coach, a new member of Wauconda, donated his winning prize back to the general fund.

The world's fastest self-cleaning ovens.

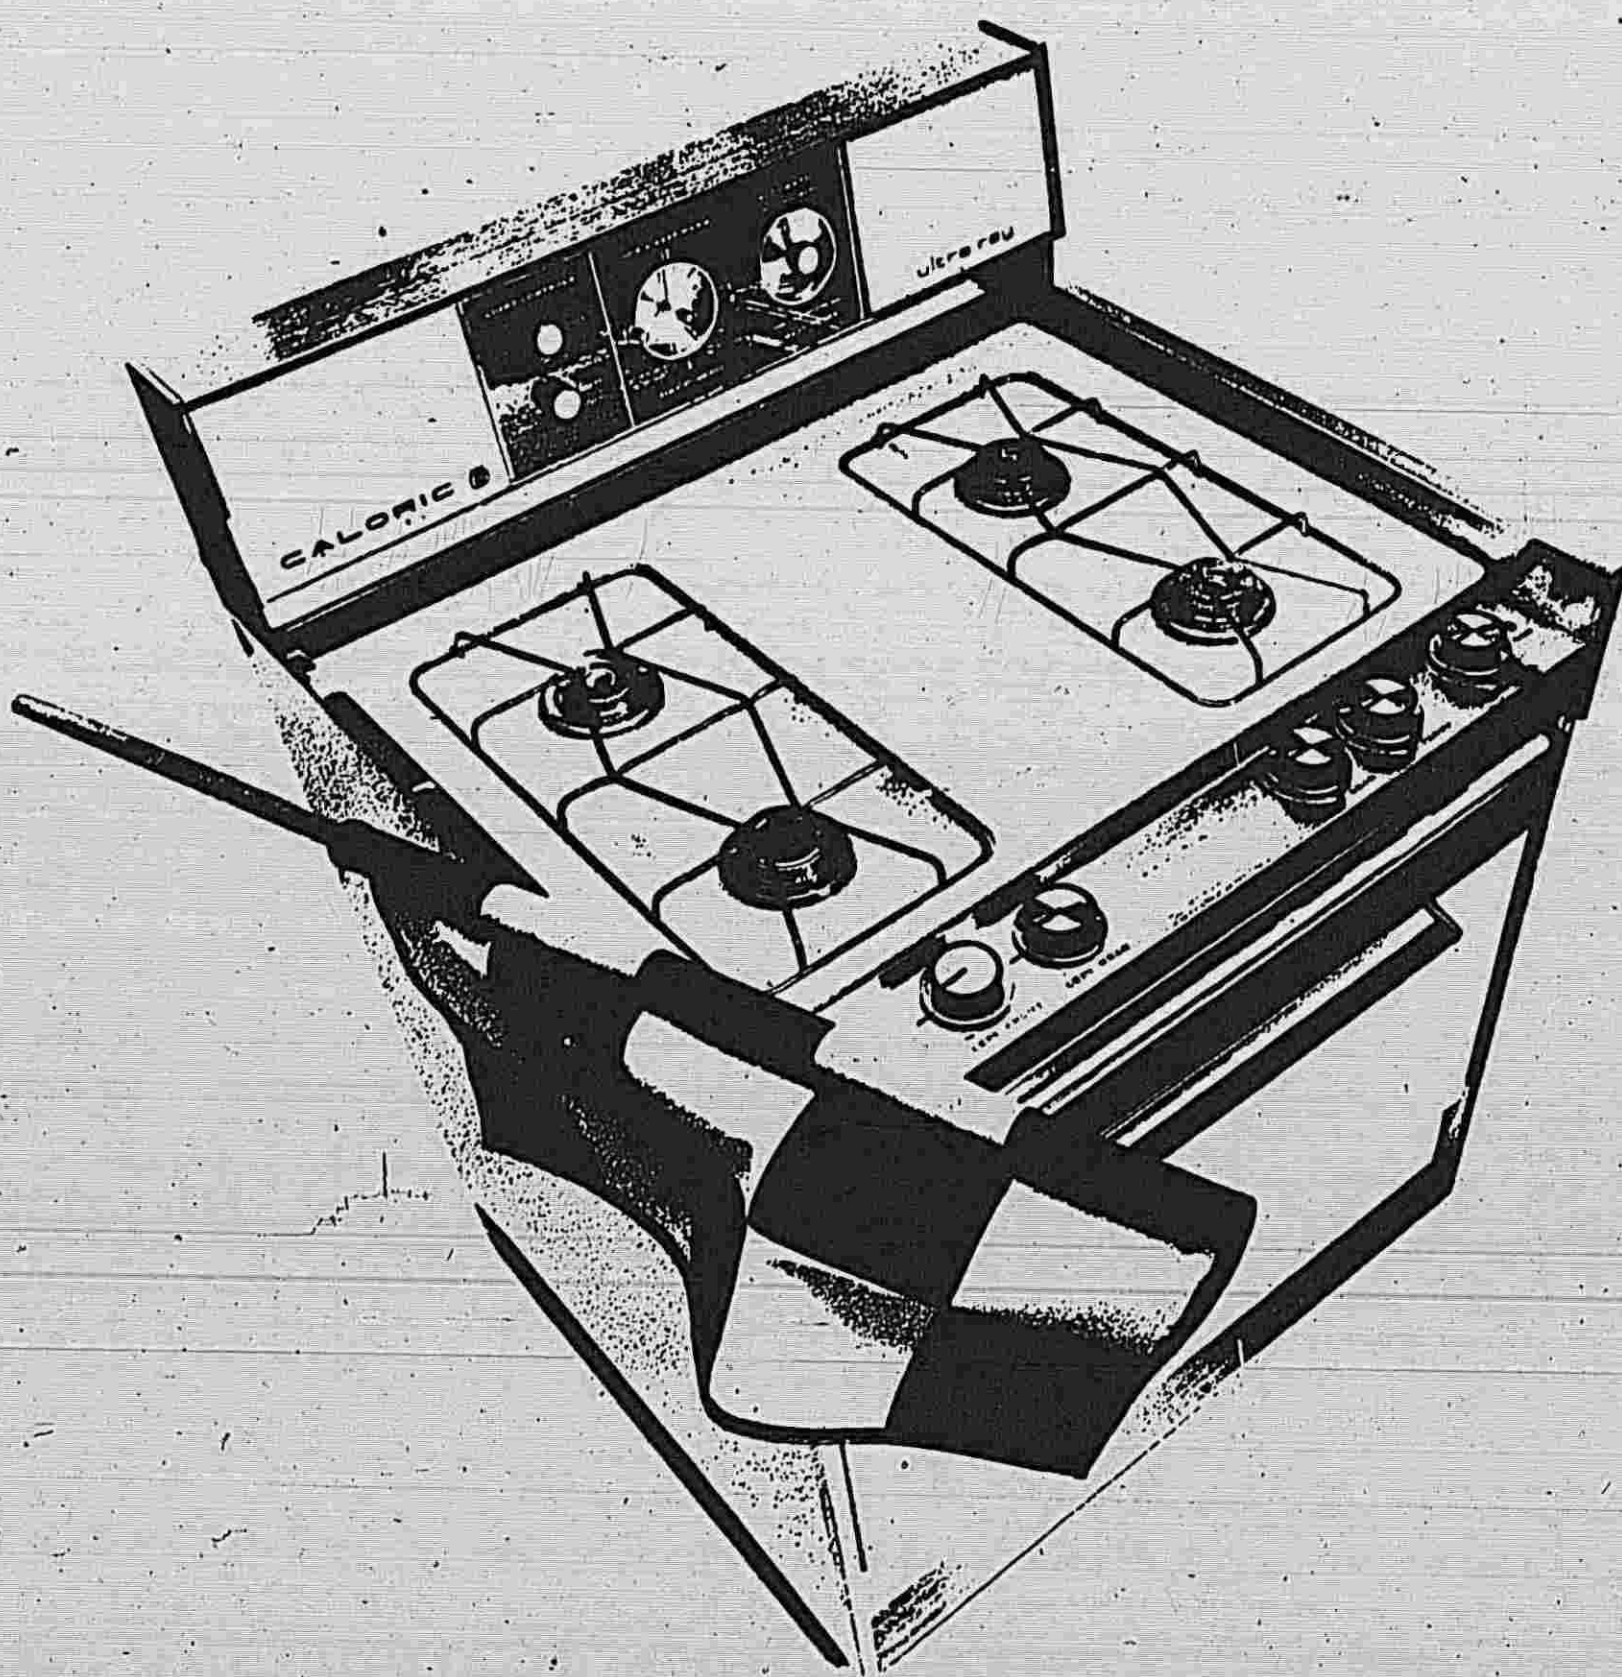

A new gas self-cleaning oven can get the messiest jobs done in half the time it takes the electric kind.

And with gas, you can shorten the cleaning cycle even more if an oven isn't soiled enough to require the full treatment.

But the best part about a new self-cleaning oven is the way it's packaged—inside a new gas range. Because only a gas range gives you precision-controlled top-of-stove cooking. Or gas infrared broiling units—the kind that cook quickly... provide eye-appealing browning, too.

Visit your Northern Illinois Gas office or appliance dealer and see why—when ovens come clean—it's no contest. Gas wins in half the time.

Northern Illinois Gas Company

Patricia Boles

Announce Engagement

Mr. and Mrs. Leo Boles, of Fox Lake, announce the engagement of their daughter, Patricia, to Terry Eckert, son of Mr. and Mrs. Richard Eckert, of Antioch.

Miss Boles is a senior student at Grant High School and will graduate in June. She is employed part-time in the First National Bank.

Eckert is presently in the army, stationed at Fort Leonard Wood, Mo.

No wedding date has been set.

Serving God throws a new light on personal relationships. Listen Dec. 1 at 9:30 a.m. on WAIT (820 kc.) to "FACING UP TO DISCONTENT."

Where The Boys Are

Pfc. David A. Bieze, 19, son of Mr. and Mrs. Alden T. Bieze, of Marengo, has been assigned to the 497th Engineer Co. in Vietnam.

Sgt. John R. Woolner, son of Mr. and Mrs. Donald C. Woolner, of RFD 3, Antioch, has been graduated from a U. S. Air Force technical school at Sheppard AFB, Tex.

He was trained as an illustrator and has been assigned to Clark AFB, Philippines. The sergeant is a 1957 graduate of Antioch High School. His wife, Patricia is the daughter of Mr. and Mrs. Howard Rodney of RFD 1, Trevor, Wis.

Sgt. Robert A. Hart, son of Mr. and Mrs. Robert H. Hart, Rte. 1, Antioch, has arrived for duty at Bien Hoa AB, Vietnam.

Sgt. Hart, a jet mechanic, previously served with the 4510th Field Maintenance Squadron at Luke AFB, Ariz. He is a graduate of Antioch High School.

His wife, Judith, is the daughter of Mr. and Mrs. William F. Alan of Rte. 5, Antioch.

Pfc. Bruce Ladewig, son of Mr. and Mrs. Bernard Schneider, is stationed at Baumholden, Germany.

Pfc. Ladewig enlisted in the Army last November and received his basic and All training at Fort Leonard Wood, Mo. He is attached to the 293rd Engineering Battalion, Co. C.

Lesson-Sermon. Titled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, De-nounced," the Lesson-Sermon will be read in all Christian Science churches throughout the world.

Services in First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Ill., begin at 11 a.m.

Related passages from the denominational textbook are part of the Lesson-Sermon and will include the following: "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defence." (Science and Health with key to the Scriptures by Mary Baker Eddy).

To Place Society or News Items Call Dial 395-4111

Marty Lusiak stars as Vincent and Gigi Palaske as Cynthia in the "Mouse on the Moon" to be presented Dec. 6 and 7 at Antioch High School at 8 p.m.; both days.

'Mouse On The Moon' Will Be Presented Dec. 6-7

Can fish swim? Can birds fly? Can the mouse that roared make it to the moon? You better believe it! Not even mumps-or-sore throat can stop the determined cast of the "Mouse on the Moon" from getting their production.

The Mouse will take off for the moon on December 6th and 7th, at 8:00 p.m. Tickets can be purchased at the door or by any healthy member of the cast. (Don't worry about getting the germs.)

The play is being directed by Mr. Smouse and is a follow-up on "The Mouse That Roared", done four years ago, by Antioch, and was also directed by Mr. Smouse. The political satire has to do with a country smaller than Antioch, and it tries to beat the Russians and the Americans to the moon.

It all starts with the nation's

head politician, Count Mountjoy (Dave Toft), asking the U. S. for an old discarded ship casing to be used for a hot water tank.

About this time, his son, Vincent (Marty Lusiak), returns home from M.I.T. in America to find the nation's leading scientist, Professor Kozink (Glen Morgan) has discovered a super rocket fuel.

This gives the nation a place in the space race. They fix the rocket casing with fancy shower heads from America; install the special fuel and prepare to take off.

Of course Vincent's girl friend, Cynthia (Gigi Palaske) doesn't want him to go and you can imagine the confusion that follows when the U. S. finds out that Grand Fenwick really has a chance to beat them and the Russians to the moon.

If you can't imagine, you'll have to come and see for yourself on Dec. 6 and 7. Others that add to the fun and confusion are Brian Sorensen, Maureen Rooker, Sue Stringer, Elda Minger, Avis Minger, Pete Leider, Betty Tully, Kerry Ellis, Charles Waters, Richard Small, Chris Mussard, Dawn Mindak, Janet Polsgrove, Linda Ann Mason and Paul Yuska.

Yuletide Programs Detailed

There were 36 members present for the meeting of the Women of the Moose, held at the Antioch Moose Home on Thursday evening, Nov. 21. The Star Recorders will hold a Star Recorder's night at the second meeting in December. Enrollment has been planned but the ritual staff does not have to be in formal. This will be a closed meeting for our own members only.

The officers have planned a Christmas party for the Collegians and appointed officers at the home of Jr. Graduate regent Jerri Polson, on Wednesday evening, December 11. There will be a \$1 gift exchange.

The Chapter Christmas party will be held on Thursday evening, December 12. This will also include a \$1 gift exchange.

There were 53 members present at the Waukegan Moose Home on Nov. 19, for their Star Recorder session. Attending from Antioch were Jr. Graduate regent, Jerri Polson, Collegian May Palmer, Recorder Rose Roth and Chaplain Bernie Rosquist. Magdalene Remsing of DesPlaines, formal Deputy Grand Regent, was one of the guest speakers. May Palmer filled the chair of sentinel and Jerri Polson filled the chair of argus for the evening. Refreshments were served to all members following the meeting.

Following the meeting of Nov. 21 for the Women of the Moose, the Friendship committee put on a bake walk for the benefit of the Antioch Post Office Viet Nam project. The walk was a very successful one for a check was issued to the Post Office for \$21.40. This pleased the Friendship co-workers very much. It just goes to show that the Christmas Spirit is in everyone's heart.

Honors For 3 From Antioch

Three Antioch girls made first honors and four made second honors during the first quarter honor roll at Carmel High School in Mundelein.

Those making first honors were Christine Hunt, Helen Zeien and Mary C. Wiczorek. Those making second honors included Mary Dost, Judith Hevrdels, Jean Forster and Mary A. Molgard.

Celeste Tischler made the first honors from Lake Villa while Deborah Larson, Laura Seisser, Laurel Clooney and Nancy Farrell made second honors.

Making second honors from Lindenhurst were Mary E. Wolff, Jane Robertson and Mary T. Dumaski.

Making second honors from Trevor, Wis., was Mary C. Messner.

Lindenhurst News

CHAMPION BABY

Mr. and Mrs. Ted (Kay) DeRousse of 2504 Timber Lane are the proud parents of a 10 pound 3 ounce little boy born Nov. 17 at St. Theresa Hospital. He has been named David. Champion. A few of the reasons he has been given the name "Champion" is because of his weight at birth and because the day he was born was the eighth anniversary of Mr. DeRousse teaching a champion varsity team. This is his second year of teaching, driver education, and being track assistant and Varsity football coach at Antioch High School. The DeRousses moved here last August from Lake Zurich. They have a daughter, Laura Ann who will be six years old on February 19 and a son, Tad, who was three years old last July 18.

The grandparents are Mr. and Mrs. William D. Watt of Springfield, and Mrs. Edith M. DeRousse of Mundelein.

EVEN 'FIDO' GETS A TREAT

Mrs. Joy Manuel visited the drive-up window of the Lake Villa Bank Saturday with her daughters, Tracy and Vicky and their dog and they were pleasantly surprised when the girls were given suckers and the dog a milk bone.

OUT-PATIENT

Bob Grant is staying at his Grandmother Bogaczky's home while he is being fitted for an artificial leg. He will be an out-patient at the Rehabilitation Center in Chicago while he learns to use the leg. He hopes to be able to be walking on two legs in the next four to six weeks. He lost his leg almost two years ago in an accident where he worked. Bob's disposition is very good and hasn't let the accident get him down. He has been driving himself around for some time and uses crutches instead of a wheel chair. This will be a Merry Christmas for the Grant family.

ALTAR AND ROSARY

The Altar and Rosary Sodality of Prince of Peace Church will receive Holy Communion next Sunday, Dec. 1, at the 8 o'clock Mass. All ladies of the parish are invited to join them. Members are urged to receive with the Sodality.

The Sodality will hold their annual Christmas Party for the ladies of the parish on Wednesday, Dec. 4, starting with Benediction at 7:30 p.m. Refreshments will be served and games played. There will be a \$1.00 to \$1.50 gift exchange.

NEW BABY DAUGHTER

Mr. and Mrs. Joseph (Patricia) Drukanis, 2318 Greentree, Seven Hills, welcomed their second daughter at Victory Memorial Hospital on November 20. The little lady weighed 9 pounds 3 1/2 ounces and was 21 1/2 inches long. She has been named Jessica Robin.

The grandparents are Mr. and Mrs. Frank (Novella) Nicikowski of Chicago and Mr. and Mrs. Joseph (Mary) Drukanis of Cicero.

The Drukanises moved here last March from Chicago. They have another little girl named Laura Theresa, 21 months old.

MEN'S CLUB MEETING

The Lindenhurst Men's Club will meet Thursday, Dec. 5 at 8:15 p.m. All men in Lake Villa Township are invited to join them. A social hour follows the short business meetings.

ANNIVERSARIES

Congratulations to Robert and Janice Schultz on their first wedding anniversary Dec. 2. And to Ted and Lois Flanagan on their 21st anniversary Dec. 6.

TEEN DANCE

The Civic Teen Club is having a Thanksgiving Dance, Friday, Nov. 20 at the Lindenhurst Civic Center, 1949 East Old Elm Road. The Crowns of Creation will play from 8 p.m. until 11 p.m. All young people are invited. There is a nominal charge.

LADIES VISIT GREAT LAKES HOSPITAL

Seven members of the Lindenhurst Women's Club visited the Great Lakes Naval Hospital last Friday evening and entertained the wounded service men by playing games and then distributing goodies. The ladies who represented the club were Mesdames Carol Brendel, Terry Glogovsky, Barbara Hendrickson, Joy Manuel, Pat Rickey, Mickey Spahn and Jenny Volpentesta.

VISITING DAUGHTER

Mrs. Betty Ireland's mother, Mrs. Anna Wisure of Iron River, Mich., visited her daughter in Waukegan last week, and this week she is visiting the Irelands. Next week she plans to go to Springfield.

BIRTHDAYS

Happy birthday to David Wolter, Lori Lewis, Evelyn Krakowski, Diane Forster, Donna Coles and Renee Skora.

Catholic Students Will Meet

Student leaders from Catholic high schools throughout the Chicago archdiocese will join in an all-day conference Saturday, Nov. 30, to consider strides they think could be made in human relations and communication between groups in their schools.

They will assemble at Holy Trinity High School, 1443 W. Division St., for the first human relations conference of teen-age spokesmen to be convened by the archdiocesan school system.

Ernest V. Yancey, human relations specialist with the Catholic schools in the Chicago area and chairman of the event, said recent disorders in schools across the country have made it clear that avenues for student communication with their elders should be increasing provided.

Principals of the 92 Catholic high schools in Cook and Lake counties are arranging for four students to represent each student body. Yancey said, he expects some of those sent to be "natural leaders" of informal student life, though the majority may be top-ranking individuals in prestige formal organizations, such as student councils, newspapers and honor societies.

Two addresses by students will launch the day's deliberations before 9 a.m. Patricia Brennan, Mercy High School senior, and Lawrence Gresham, St.

You Can Send Greetings

The "Miles of Messages" campaign to give American fighting men in Vietnam the longest Christmas card ever sent has passed its first milestone.

More than a mile's length of a six-mile-long roll of newspaper has been pasted with the Christmas greetings of sincere youngsters and prominent citizens from throughout the United States.

The "Miles of Messages" campaign is being sponsored by The Daily Review, Hayward, Calif., as a reminder of America's appreciation to servicemen in Vietnam. After ceremonies Dec. 7, the newsprint roll will be divided into manageable sections, air-shipped to Vietnam and unraveled there for display.

One of the latest messages pasted on the 20-inch wide roll was from Vice President-elect Spiro Agnew. Agnew said, "Our

Mel High School senior, will present their views of the high school human relations and communication problem, and what accelerated efforts might accomplish.

During much of the day, students will meet in small groups. Before the 3 p.m. adjournment, they will present opinions and recommendations "most important for schools to act on" today.

Christmas Dance Will Be on Dec. 7

Knollwood Country Club, 1890 Knollwood Road, Lake Forest, will be the scene of the Christmas Dinner Dance of the Women's Auxiliary of the Lake County Medical Society, Saturday, December 7.

Cocktails will be at 6:30 p.m. and dinner served at 7:30 p.m. Dance music will be provided by Frank Cuden and his band.

Proceeds from the dance will go to benefit the Benevolence Fund of the Auxiliary.

Reservations for the dinner dance may be made with the chairman, Mrs. George Buttemiller of Libertyville.

Women's Club Sets Party For Dec. 2

The Antioch Woman's Club, 10th District, Illinois Federation of Women's Clubs will have its annual Christmas Party at the Scout House on Dec. 2.

It was voted at the last board meeting on Nov. 18 that the Grab Bag gift exchange would be eliminated this year and each member would be asked to donate one dollar to the Lincoln Lodge at

Barat College Will Present Play Dec. 14

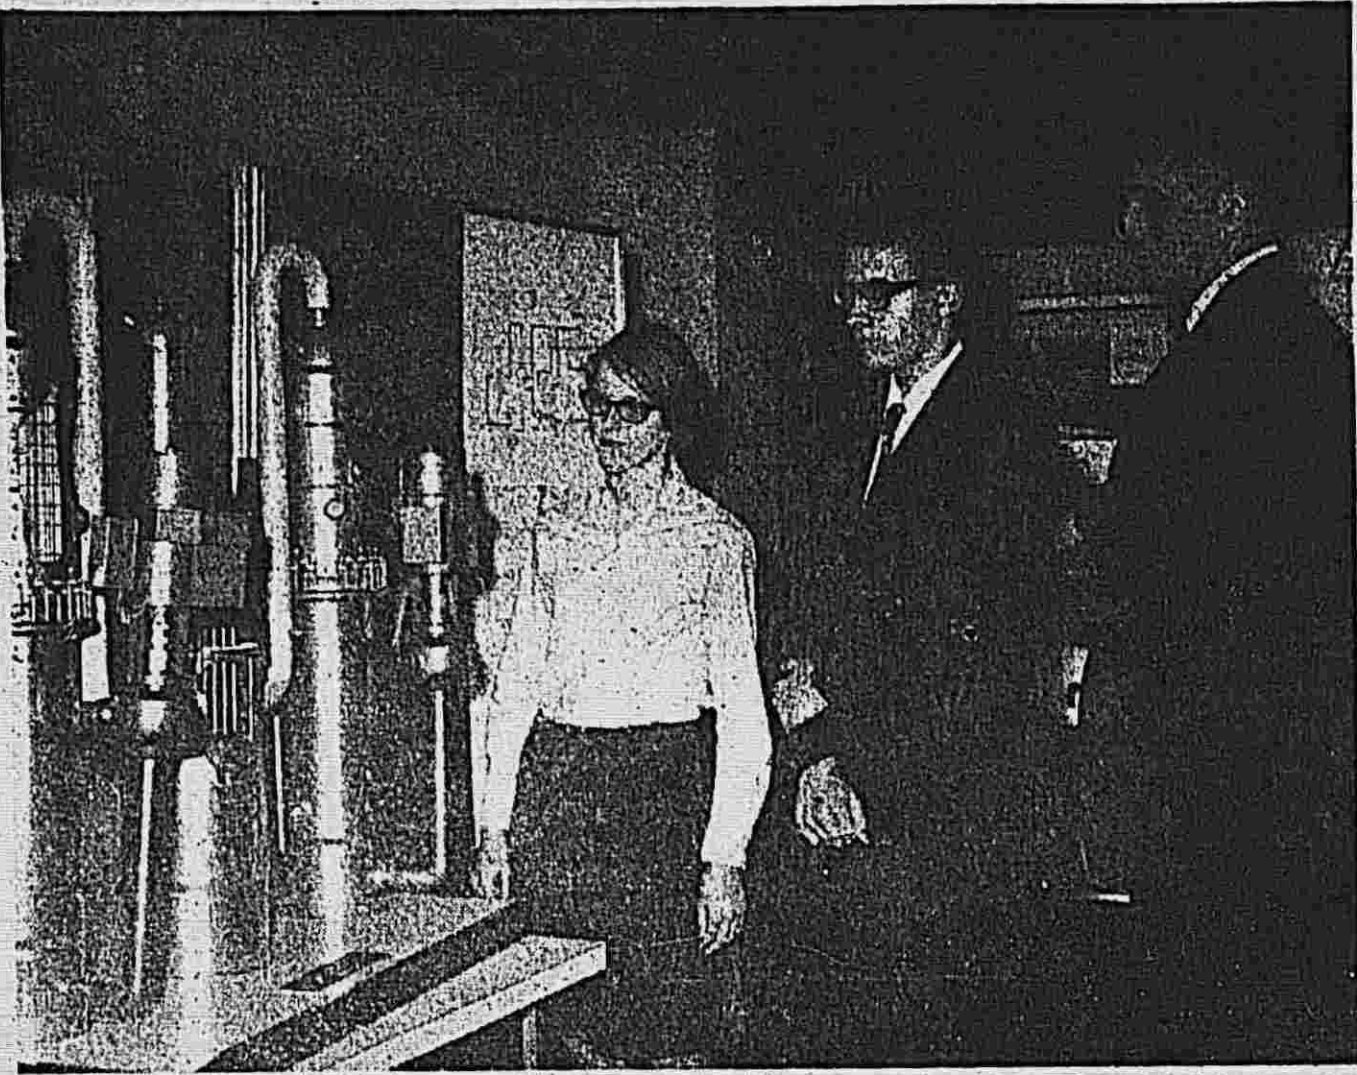

The Barat College Players will present one of the all-time favorite children's plays, A. A. Milne's "Winnie-the-Pooh", as dramatized by Kristin Sergel, on Dec. 14 and 15 in the Drake Forest Theatre located on the Lake Forest campus.

Two performances will be given on each date: Saturday at 10 a.m. and 2:00 p.m.; Sunday at 1:00 p.m. and 4:00 p.m. Admission is 75 cents for children under 12 years of age and \$1.00 for adults. Refreshments will be served at the conclusion of each performance at which time the children will meet and mingle with members of the cast.

PARENTS OF SON

Mr. and Mrs. Loren Miller of Richmond are the parents of a son, born November 13, at the Burlington Hospital. Boyd Joseph weighed 8 lbs. 2 oz. at birth.

The baby's mother is the former Virginia Runyard. Paternal grandparents are Mr. and Mrs. Robert Runyard, Jr. and Mollie Miller, all of Richmond. The Runyards are former Antioch residents.

Discussing a model of a nuclear power plant system are Miss Cynthia M. Steinke, Wadsworth, John P. Sikorski, Ill., River Forest, and Bill Farrow, Commonwealth Edison Company. Miss Steinke and Sikorski were selected by Edison as delegates to the 1968 National Youth Conference on the Atom held at the Sheraton-Chicago Hotel from November 21-23. More than 800 straight-A science students from across the country attended the conference at which renowned scientists and industry representatives spoke about various aspects of science and research.

A Day of Thanksgiving

Thanksgiving is the oldest observance, unique to the United States, which we now commemorate as a national holiday. It began with the pilgrims at Plymouth after their first harvest in 1621. From their tenuous foothold on the edge of an unknown continent, whose limits they were never to know, grew the English colonies, the conviction that government derived its powers from the people—the American Revolution and finally the United States of America.

What happened then through the years of our national history and what we have the opportunity of carrying forward today should

be remembered with humility and thanksgiving on the 28th of November, 1968. We defend again the principles of human freedom on the battlefield. We should be thankful that we have the strength to do so.

Our harvests were never more abundant, and our material wealth never greater. Our original dedication to the worth of the individual is intact, and our institutions in these fast-changing times are proving equal to the task of living up to this dedication. The faith of our forefathers was strong, and it built the land that we live in today. Let us give thanks that we have

been able to fulfill that faith to this point in our history and continue in our common purpose to pass it onward with courage and with wisdom for generations yet to come.

What's A Grandma?

A grandmother is a lady who has no children of her own so she likes other people's little girls. A grandfather is a man grandmother. He goes for walks with the boys and they talk about fishing and tractors and like that.

Grandmothers don't have anything to do except be there. They're old, so they shouldn't play hard or run. It is enough if they drive us to the market where the pretend horse is and have a lot of dimes ready. Or, if they take us for walks, they should slow down past things like pretty leaves or caterpillars. They should never say "hurry up."

Usually they are fat, but not too fat to tie a kid's shoes. They wear glasses and funny underwear. They can take their teeth and gums off. It is better if they don't type-write or play cards except with us. They don't have to be smart, only answer questions like why dogs hate cats and how come God isn't married. They don't talk baby talk like visitors do, because it is hard to understand. When they read to us they don't skip, or mind if it is the same story again.

Everybody should try to have one, especially if you don't have television, because grandmas are

Dairy Farmers Win All-Time High Milk Price

Reaching an all-time high for the Chicago market, a minimum order blend price of \$5.12 per hundredweight will be paid dairy farmers for Grade A milk delivered during October to plants within Zone 1 of the Chicago Regional federal milk market order. Pure Milk Association announced today. The \$5.12 is four cents higher than the September blend price.

Zone 1 includes the Illinois and Wisconsin territory within 85 miles of Chicago city hall, plus Milwaukee County, Wis., and Winnebago county, Illinois.

The higher October blend price is due mainly to an increase in utilization of Class I (bottling) milk and a five-cent increase in the Class II (manufacturing) milk price.

October Class I utilization under the Chicago regional order was 65 per cent of the 535,128,544 total pounds of milk in the pool. The September Class I utilization was 63 per cent of total pool receipts.

The \$5.12 federal order minimum price applies to milk of 3.5 per cent butterfat content and is a blend of the \$5.53 per hundredweight minimum order price for Class I milk and the \$4.28 per hundredweight for Class II (manufacturing) milk.

The producer butterfat differential on October milk was 8.2 cents per hundredweight for each one-tenth of 1 per cent above or below 3.5 per cent. This differential follows the average wholesale price for 92-score butter on the Chicago market.

A superpool established by Central Milk Producers Cooperative provides funds for maintaining a standby pool, advertising and promotion, and supplies needed to meet local market demand.

Central Milk Producers Cooperative is a group of Wisconsin and Illinois dairy farmer cooperatives, including Pure Milk Association, which supplies most of Chicago's Grade A milk. PMA is marketing agent for the group.

NOW IS THE TIME TO:

Help Mom wax floors.
Start figuring income tax.
Order implement repairs.
Ask the man what the fare is for a round-trip ticket to Florida.
The only grownups who have got time.

New Flu Outbreak Expected For '68-'69

The flu warning flag is up again! The U. S. Public Health Service Advisory Committee now warns that a new strain of Asian flu may give the nation another outbreak of this troublesome ailment this winter.

The Committee, which earlier had given the country an "all clear," revised its flu prediction following the identification of a new strain in Hong Kong in July.

Already the Hong Kong virus, a variant of the A2 type that gave the country the miseries last year, is beginning to spread.

"It is felt that the present change in the influenza virus," reports the Public Health Service, "increases the probability that influenza A2 will occur extensively in the United States in the 1968-69 season."

Current vaccines may provide only limited protection against the new A2 Hong Kong virus, according to the Public Health Service. Better protection against it will require a newly formulated vaccine. The development, manufacture and distribution to physicians of such a vaccine will require considerable time and only

a limited number of doses will be initially available, the agency reports.

In the meantime the Public Health Service recommends that currently available flu vaccines be given primarily to elderly persons or the chronically ill.

Influenza is a viral infection of the respiratory tract. It differs from a cold in severity and the complications. Its symptoms include sudden chilliness, fatigue, headache, and general aches, with temperatures of 101 to 104 degrees. Sore throat and coughing may also occur as symptoms.

The Asian flu A2 strain first appeared on the world scene in 1957 and is believed to have started in Hong Kong. From there this virus which affects people of all ages, has traveled around the world.

Salary School Is Set For Educators

Staff members of the Illinois Education Association will conduct a regional salary school Saturday, Nov. 23 for educators in Lake and McHenry Counties and the north suburban area. Sessions are scheduled at Zion-Benton High School in Zion.

Instructors for the class sessions will be Theodore L. Sanders and William Puckett, field representatives, from the association Oak Brook Office. Virginia Haass of Elmwood School in Zion is in charge of local arrangements.

Topics to be studied will include fundamentals and philosophy of salary schedules, legislative affecting salaries, operation of local salary committees, school finance, school budgets, types of salary schedules, and board-administrator-staff relationships.

U.S.D.A. Objects To Paprika In Fresh Meat

The U. S. Department of Agriculture has proposed to amend Federal Meat Inspection regulations to prohibit the use of paprika in fresh meats and fresh meat products except chorizo sausages and Italian types of sausage.

USDA's Consumer and Marketing Service said the proposed amendment was based on the results of laboratory tests and other information which give it reason to believe that the use of paprika—weak flavored red pepper—can mask undesirable qualities in meat, especially ground meat, by preserving the color characteristics after the meat has begun to spoil. C&MS said evidence also indicates that paprika causes meat to appear leaner than it really is because it produces a reddish coloring to the fat of the meat.

Chorizo sausage and Italian types of sausage would be exempt from the proposed regulation, C&MS said, because there is reason to believe that consumers generally expect to find paprika in these products and do not generally depend on color to show the freshness or quality of the product.

The Federal Meat Inspection Act does not allow the use of anything in meat or meat products that hides damage in them or makes them look better than they are.

The meeting is open to IEA members and others interested in the formation of local salary policy. All will be required to pay a small registration fee to cover the cost of materials.

In the opening session, instructors will examine the fundamentals and philosophy of salary schedules. Class sessions are scheduled to follow at 9:30 a.m. Groups will change classes for the second class session at 11 a.m. to insure all participants an opportunity to attend both classes.

A special afternoon session on professional negotiations is scheduled at 1:30 p.m.

Sequoits Win Over McHenry

Trailing the entire first half, the Antioch Sequoits rallied for a 67 to 56 victory over McHenry last Saturday in the season opener.

The victory marked the 100th for Coach Roger Andrews since he took over the varsity position in 1962 as compared to 58 losses.

The defense, which was good and steady, kept the Sequoits close the first half. On two occasions the Warriors from McHenry opened up a five point lead, but buckets by Dave Camp and Steve Owens cut the leads.

The rebounding and shooting was below par in the first half due somewhat to the first game jitters. The teams left the court at halftime with Antioch trailing 28 to 25.

The second half was all Antioch as the rebounding improved and the shooting improved greatly.

Dave Camp held the hot hand offensively and canned four for four in the third quarter. Each of the boys contributed to the scoring as the Sequoits rallied for 21 points while McHenry could muster only 13.

Rodney Boswell and Keith Bolton started to control the boards and this helped the Sequoits cause considerably.

During the last quarter McHenry used a full court press, but the Sequoits moved the ball down floor quickly to score a few easy baskets and at one point led by 13 points.

"Our defense held us in the game," Coach Andrews said, "until our rebounding and shooting improved the second half. I was really pleased with the defense. Without it we would have lost."

"Dave Camp and Steve Owens can shoot well and it just took them a half to find themselves."

Coach Andrews said there was a fine crowd at the game and that the coaching staff would like to thank the fans for a great turnout.

"And also I would like to thank the people that made the nice comments about the neat, clean, trimmed haircuts the players have," he added.

The top rebounders for the game were Rodney Boswell with 16 and Keith Bolton with 11. The game's top scorers were Steve Owens with 20 points and Dave Camp with 18 points. Bob Reinboldt led McHenry's scoring with 18 points.

Harriers Detail Season

Cross country practice began August 21 with 25 boys reporting. Twenty-two of them completed the season.

The Varsity finished the season with an 8-5 record. In the Lake County meet held at the Bonnie Brook Golf Course in Waukegan, the Varsity finished ninth. In the Northwest Suburban Conference meet held at Crystal Lake, the Varsity repeated as Conference Champions for the third straight year.

The following were members of the conference championship team: Keith Church, 2nd; Chuck Denman, 3rd; Bob Biaggi, 6th; Bob Osmond, 10th; and Tom Effinger, 17th. Chuck Denman finished 7th in the Lake County meet, 4th in the Crystal Lake district meet, and 11th out of 241 in the Savoy Country Club in Urbana. Keith Church finished 9th in the district meet at Crystal Lake.

The frosh-soph team had a dual meet record of 3-10. This record was attributed to the two sophomores who ran on the Varsity and many freshmen who came out late for practice.

The members of the Varsity voted Chuck Denman most valuable and Keith Church most improved. Chuck Denman, Bob Biaggi and Jim Maier were tri-

captains.

The cross country course was lengthened to 2 1/2 miles this year. Chuck Denman set the course and senior record at 13:40; Keith Church, junior record 14:03; Bob Osmond, sophomore record 14:29; and Rick Weiss, freshman record 15:22.

The following is a list of the boys who completed the season and their point totals:

Antioch Plays In Barrington Round Robin

The second annual Turkey Day Classic, hosted by the Barrington Broncos got under way Wednesday but at edition time it was not known how Antioch finished.

The Sequoits and the Broncos were joined in the classic by Mundelein of the Tri-County Conference and Batavia in the Little Seven Conference.

Antioch is representing the Northwest Suburban Conference

38 Players Report For Basketball

Basketball practice is now underway at Salem Consolidated with 18 players battling for a starting position on the seventh grade team and 20 boys fighting for the starting berth on the eighth grade team.

At the seventh grade level, working at the center position are Tom Koencke, Roger House and Don McAllister. Fighting for a forward position are Kevin Sheehan, Bruce Merrill, Allen Blover, Tom Jacobsen, Pat Holm, Jerry Kalbell, Joel LaMeer, and Mike Terry. A big battle is underway at guard between Glenn Bovee, Doug Paddock, Lonnie Smith, Carl Chaput, Jim Andrews, Teddy Novak and Ken Plants.

The following are the boys who will wear the Blue and White for the eighth grade team for the coming campaign. At the center position, a battle is underway between Kevin DeBruin and Ernie Kraak. Eight boys are battling for a starting berth at the forward position and they are Larry Erdman, Buddy Biller, Melvin Klemp, George Lebangood, Russ Bain, Larry Neau, Phil Young and Jim Gussarson. Working at the guards this year for the Falcons will be Neil Hall, Mark Vlahakis, Bill Watson, Tad Barnett, Leonard Smith, Dave Anderson, Geoff Pawlowski, Dennis Ciskowski, Jansson Brown and Don Bay-singer. Managers for the Falcons will be Carson Wilkinson, Ken Hupp, Bob Caputo and statistician will be Jim Sherwin.

Trapshoot Planned For Sunday

The Northern Illinois Conservation Club will stage their December Wild-Game Trapshoot on Sunday, Dec. 1st at 10 a.m. at the club trap range, three miles west of Antioch on Route 173.

Ducks, rabbits, chickens, and turkeys will be on the prize list for the victorious shooters.

Included in the shooting events will be winner take all, red bird, high-low, Annie Oakley and Protection contests.

Mary Dyer and Dorothy Wertz will hold forth in the kitchen, dishing up their lip-smacking goodies to the hungry visitors and participants.

Shells and loading components will be available in the club house all day until dark.

Dizzy Trout Will Speak At Carmel

At the general meeting of the Carmel Fathers' Club Dec. 2, at 8:00 p.m., Paul "Dizzy" Trout will be the guest speaker. His talk will be on Education, Sports and the family.

Paul "Dizzy" Trout spent his entire major league career pitching in the American League. During his big league career, which spanned from 1933 to 1952, "Diz" registered 170 victories against 161 setbacks.

A big fellow, Trout stands 6-02 1/4 and weighs 230 pounds. He broke into professional baseball with Terre Haute of the Three-I league in 1935. Trout pitched for Detroit for 13 years, then finished his big league career with Boston in 1952. His greatest year was 1944 when he won 27 games while losing 14 as he hurled the astounding total of 352 innings. He had a brilliant ERA that year of only 2.12. That season he led the league in complete games (33) and in shutouts with 7.

One of the highlights of his career came in September, 1945 when he helped the Tigers to win the pennant. "Diz" pitched in six games in 11 days, Sept. 8 to 18, being credited with five victories. Trout pitched in two World Series games in 1940 and 1945.

Trout joined the White Sox organization in the spring of 1950 as an instructor of the Sox nation-wide traveling tryout camp that year. Late in the season he joined the White Sox public relations department where he has been ever since. Trout, whose home is South Holland, Ill., is

married and is the father of ten children.

It will be an evening of enjoyment and refreshments will be served Carmel style.

WHITE OAK SUPPLY DOWN

The Illinois cooperage industry has begun a program to increase the supply of white oak in the state. The quantity and quality of the once abundant wood—second in value to black walnut—is down.

Landowners who plant white oaks will receive financial assistance. To cooperate in this phase of the program, a landowner must contact a farm forester of the Department of Conservation to determine if the area

where the trees are to be planted is suitable. Not less than 500 nor more than 50,000 seedlings may be planted on one farm.

WHAT'S YOUR HURRY?

Excessive speed continues to hold top spot in the list of accident causes, with reckless driving and driving on the wrong side of the road taking second and third places respectively. Pedestrians were at fault in many of the fatal accidents, with crossing between intersections being the top killer. Youthful drivers hold the greatest responsibility on the highway death list. Almost one-third of the drivers involved in fatal accidents were under 25 years of age.

Booster Club Meets

The Salem Consolidated Booster Club held its first meeting of the year before more than 250 loyal members.
Bud Biller, master of ceremonies, started the ball rolling by calling the meeting to order and explaining the agenda for the evening.
At this point, he turned the program over to Coach Wilson who introduced the seventh and eighth grade players along with their parents.
Mrs. Dummum then introduced the seventh and eighth grade cheerleaders, who in turn introduced their parents. The cheerleaders also displayed their new cheerleading uniforms which they made by themselves.
A movie was shown on offensive basketball drills along with refreshments. The meeting closed with a 40-minute intra-squad scrimmage, as the seventh grade Reds and the eighth grade Blues won their game.
Standouts in the scrimmage were Glenn Bovee, Tom Koencke, Teddy Novak and Ken Plants for the seventh grade. Shining in the eighth grade scrimmage were Larry Neau, Kevin DeBruin, Bill Watson and Dennie Ciskowski.

SESQUI ROSE
The first bloom of a new hybrid rose is expected to bloom in Decatur next spring. The rose, "Illinois," was especially developed in commemoration of the state's Sesquicentennial through efforts of an 81-year-old Decatur rose fancier.
William N. Andrews suggested the bloom. General Bionomics created the hybrid tea rose and Andrews planted roots at his home this summer.
Others will be placed in Springfield at the old and present Capitols, the State Fairgrounds and the Washington Park rose garden. Andrews said the roots should be planted during the spring. They should be available from commercial nurseries by then.

11 Years and Over	B. A. DEGREE	11 Years and Over	M. A. DEGREE

Little League Dance Is Successful

The Antioch Little League dance, held Saturday, was termed a huge success with approximately 250 person attending.
Thanks go to a team of hard working firemen and the dance committee made up of Bernie Gutowski, Ron Vos, and Adolph Bentel. They did all the setting up and taking down.
The women were involved also. They did the decorating and sold tickets at the door.
It is not known at present how much was taken in but it is estimated to be over \$1,000.
The proceeds will go toward purchasing lights for the Little League diamond.
Thanks also go to the Jaycees, Rotary Club, local merchants and the Lions Club, which helped sell tickets.

Live within your income and you'll live without worry—and a lot of other things.

PHARMACY SERVICE

If you are unable to get down to our pharmacy in person—for that prescription or other health item, give us a call... We'll see that you get prompt service.

Legal Notice

LEGAL
INVITATION TO BIDDERS
Bid proposals are requested for furnishing all labor, materials, tools and equipment necessary to complete all work required for the construction of a library building for the Township of Antioch, Illinois. Mechanical/Electrical trades will bid separately.
Each bid must be placed in a sealed envelope addressed to the

Board of Directors Antioch Township Library, Antioch, Illinois.
Sealed Proposals will be received at the office of Freund and Arthur, Architects, 95 Grant St., Crystal Lake, Illinois, 60014, prior to 5:00 p.m., Dec. 13, 1968, or at the place of opening, prior to 8:00 p.m. Dec. 13, 1968.
Bid Proposals will be opened at 8:00 p.m. CST in the gymnasium of the elementary school, 817 N. Main St., Antioch, Illinois. The public is invited.
Instructions to Bidders, Pro-

posals Form, drawings and specifications in complete sets, are available at the office of Freund and Arthur, Architects, 95 Grant Street, Crystal Lake, Illinois, starting Nov. 22, 1968.
A deposit of \$30.00 per set for the first three sets will be required, which will be 50% refundable to the depositor upon return of said drawings and specifications in good condition within ten (10) days after the bid opening date. Checks are to be made out to Freund and Arthur, Architects. All additional sets will be

charged for at the rate of \$15.00 per set, which is not refundable.
Special attention is called to the requirements outlined by the Department of Health, Education and Welfare, Office of Education, "Labor Standards, Construction Contract provisions," all portions shall become a definite part of this bid and must be complete in detail.
The Board of Directors of the Antioch Township Library reserve the right to reject any or all proposals in the best interests of the Antioch Township Library.
A Bid Bond in an amount equal to at least ten (10%) per cent of the amount of the Bid, must accompany proposals. A Performance and Payment Bond for 100% of the value of each contract will also be required.
The Owner is a tax exempt public body and sales tax shall not apply to materials furnished.
Board of Directors
Antioch Township Library
(Nov. 21-27, 1968)

THE ANTIOCH NEWS 9 THURSDAY, NOV. 28, 1968

That for the purpose of said election said entire School District constitutes a single voting precinct and the polling place designated for said election is as follows:
Grade School Building
In the Village of Antioch, Lake County, Illinois
The polls at said election will be opened at twelve o'clock Noon and will be closed at seven o'clock P. M. on said day.
By order of the Board of Education of Community Consolidated School District Number 34, Lake County, Illinois.
DATED this 19th day of November, 1968.
RICHARD C. HARLAND
President of the Board of Education of Community Consolidated School District Number 34, Lake County, Illinois.

JOAN TOFT
Secretary of the Board of Education of Community Consolidated School District Number 34, Lake County, Illinois.
(November 28, 1968)

Three new members of the Antioch Volunteer Fire Dept. were approved at Tuesday's village board meeting. The new men are Jack Palmer, William Holt and Frank Kuechenmeister.

LEGAL NOTICE OF SPECIAL ELECTION
Community Consolidated School District Number 34, Lake County, Illinois
NOTICE is hereby given that on Saturday, the 14th day of December, 1968, a special election will be held in and for Community Consolidated School District Number 34, Lake County, Illinois, for the purpose of voting upon the following proposition:
Shall the Board of Education of Community Consolidated School District Number 34, Lake County, Illinois, build and equip a new School building on the property now owned by the District and heretofore acquired as an additional school site, such property consisting of a rectangularly shaped tract of land containing approximately 52 acres and located on the north side of State Route Number 173, west of the Village of Antioch, Illinois, and to pay the cost thereof, issue bonds of said district to the amount of One Million Six Hundred Seventy-five Thousand Dollars (\$1,675,000)?

BUSINESS CHRISTMAS CARDS?
A gentle reminder: Better order them today, before it's too late. A good place to look is right here. Just ask for the Masterpiece Executive Album—a comprehensive collection of Christmas cards designed especially for use by business firms, executives and professional people.

The Antioch News
966 Victoria St. - Antioch, Ill.
We would like to take this opportunity to thank everyone who donated to the Antioch Little League Dance.
Especially Mrs. Lightsey for the use of the building.
Our Fund is off to good start, thanks to your kindness.
